

## **What do I do with...**

Marathon County Landfill also accepts items like yard waste, tires, appliances, waste oil, etc. You may contact them at 877-270-3989 with questions and applicable fees or visit their Website <http://www.marathoncountysolidwaste.org/where-to-put-it/>

### **Batteries:**

Some batteries are harmful to the environment and may require recycling.

Never put batteries in your curbside bin.

Visit the Wisconsin DNR website for disposal information <http://dnr.wi.gov/topic/Recycling/Batteries.html>

### **Electronics:**

The following electronics are banned from landfill disposal and must be recycled:

- Cell Phones
- Computers & Laptops
- Computer Parts (Keyboard/Mice/Speakers)
- DVD/VCR/Video Players
- Monitors
- Televisions
- Printers – Scanners – Copiers – Fax Machines

Never put electronics in your curbside bin.

Visit the Wisconsin DNR website for recycling information <http://dnr.wi.gov/topic/Recycle/>

### **Medications:**

To decrease the risk of accidental overdose or misuse and to eliminate the environmental impact of medications in our waterways, take all unused and unwanted medications to a designated drop-off location.

Visit the Wisconsin DOJ website for locations <http://doseofrealitywi.gov/drug-takeback/>

### **Plastic Bags:**

Never put plastic bags, wrap or film in your recycling bin.

Click on the website link to search for store drop-off locations using your zip code <http://www.plasticfilmrecycling.org/recycling-bags-and-wraps/find-drop-off-location/>

### **Sharps (needles, lancets, syringes):**

Never place sharps in your curbside recycling or garbage bins. This may cause serious illness to sanitation workers.

Visit the Wisconsin DNR website for disposal information <http://dnr.wi.gov/topic/HealthWaste/>
